## IECD - Bharathidasan University

Bharathidasan University was established by the Government of Tamil Nadu in 1982 through the Bharathidasan University Act, 1981. It is situated in Tiruchirappalli. The University started functioning with effect from February 4, 1982. Bharathidasan University has established the Institute for Entrepreneurship and Career Development (IECD) in 2004, for promoting entrepreneurship and career development among the students and non-students youth. It is a flexible skill-based training centre for enriching the current as well as dropped-out and passed-out students. Further, the IECD serves under three dimensional activities i.e. conceiving, designing and operating various skill based short-term, certificate, diploma, advanced diploma and PG diploma courses, with industrial tie-ups. IECD has signed MoUs with 15 Industries/ Institutions for operating such courses. To get rid of unemployment problem prevailing in our country, IECD is offering its hand by way of giving entrepreneurship training to youth in reducing such problem. Thus, IECD is acting as both an entrepreneurial training and consultancy institute. It organizes several campus interviews to the students and non-students youth in collaboration with more than 52 multi-national companies and thus secures job to the youth.

## IICD

IICD is established in the year 2008, with the commitment to provide programmes and training that are applicable to the changing demands of the industry. The objective of IICD is to bridge the gap between demand and supply of manpower in the industry, to create job opportunity for youth, to implement employment based courses leading to

Certificate/Diploma/PG Diploma Programmes in diversified fields, pre-job training, on the job training and provide manpower to corporate across the country. IICD curriculum and the courses are industry centred. Thus, the inputs and outcomes are meant to meet industrial needs. Challenging and rigorous courses, carefully guided and inspired by an exceptionally capable academic team make IICD significantly different from others.
